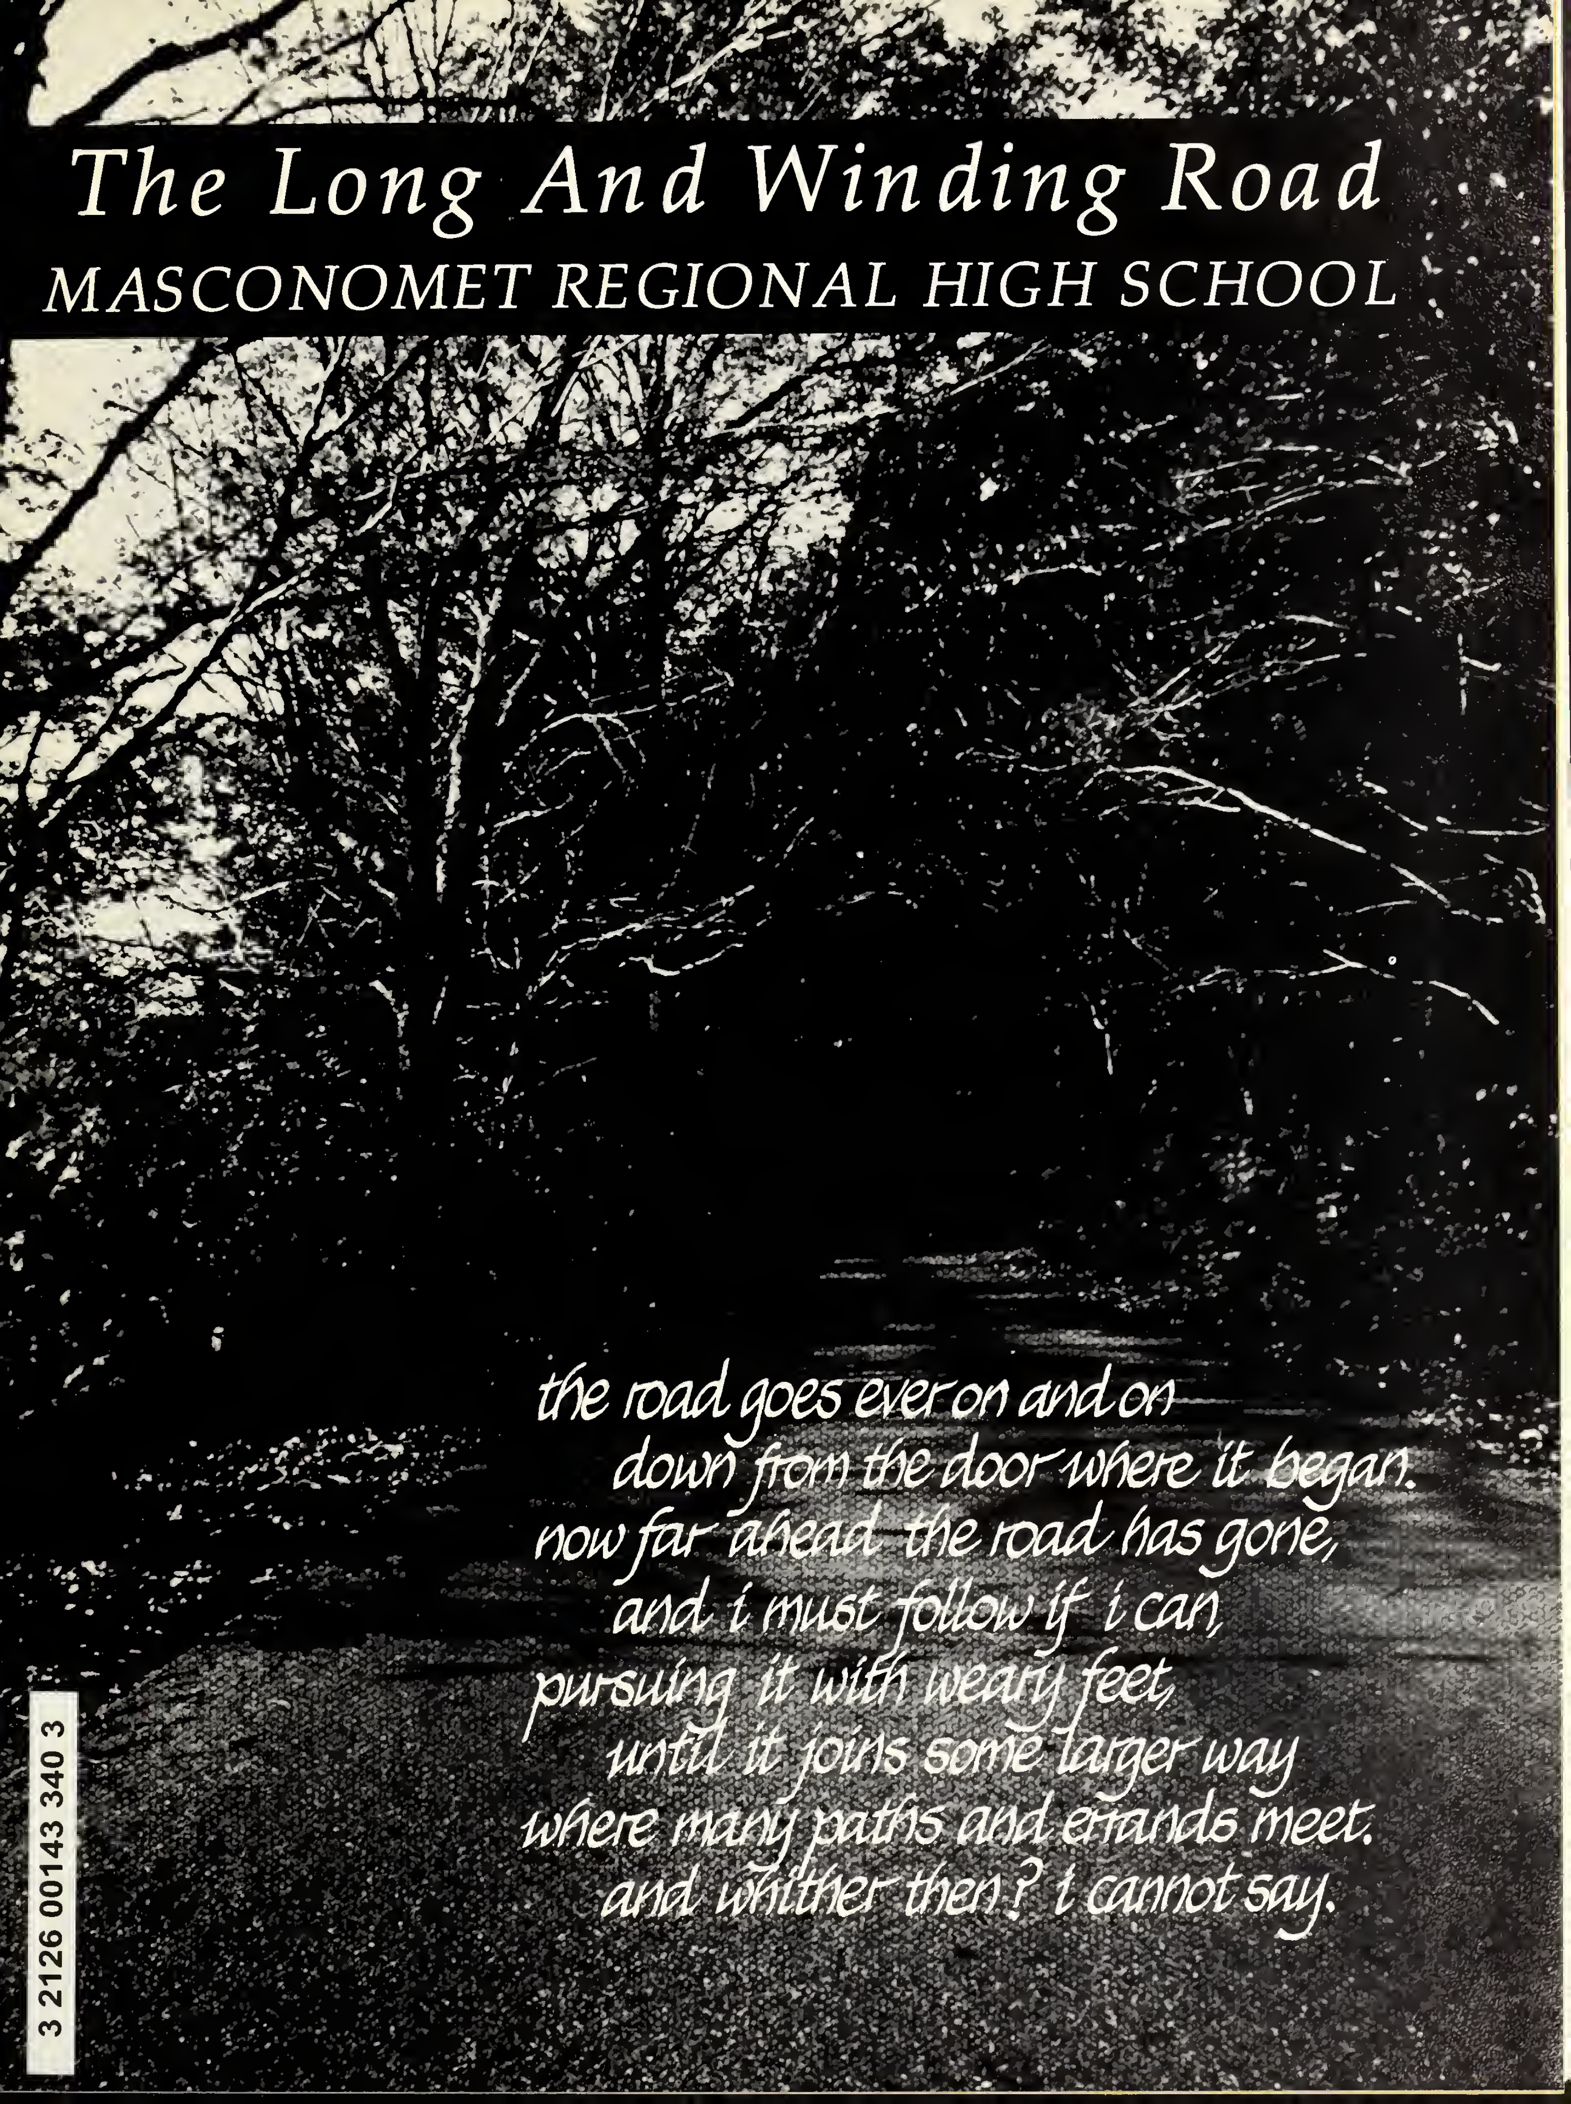
The Long And Winding Road

MASCONOMET REGIONAL HIGH SCHOOL



the road goes ever on and on
down from the door where it began.
now far ahead the road has gone,
and i must follow if i can,
pursuing it with weary feet,
until it joins some larger way
where many paths and errands meet.
and whither then? i cannot say.

MEMORIES OF A TEACHER AND A FRIEND

"Marty Rabin had a funny way of slowing me down so I could look at my problems objectively, instead of pretending they didn't exist. For that, I will never forget him". —Laura Bond

"An inspiring individual who was loved by everyone."—Greg Bortzfield

"Marty Rabin was my teacher and friend. His death is a double loss."
—Alison D'Amario

"I have nothing to say. But maybe silence is more eloquent than words."
—Tony Constantino

Marty Rabin
We are diminished
By your death and yet your life
Still magnifies us.
1931-1977

—Tom Green

"Pudgy hand, poised, with dark cigarette. Eyeglasses framing alert eyes. Stepping on toes, yelling or cajoling, hugging us, or getting a good look . . . sideways. I miss mean Marty Rabin". —Eliza Blanchard

"He sat on our laps and stepped on our toes and blocked our paths in the hallway, and touched our lives forever. Thank you, Marty Rabin. I miss you".
—Kathy Cavanaugh

"Thank you, Marty."
With love,
Linda Merman

"Marty Rabin was a concerned educator who truly cared for his students and had a unique knack of making persons aware of and confident in their abilities."—Jacqueline B. Martin

" I am sorry that there are a lot of people who never got to know Mr. Rabin, and even more, for those who will never get the chance. But most of all, I am sorry for myself, for the rolly-poly fat man who was too smart and cared too much is gone."—Dave Fain

TO A GOOD MAN, AND FRIEND: MR. RABIN

In the darkest hour, and blackest night
When touched by blind foes, in their flight
And twenty angels swore,
(We've heard that thought before)
And clearly wrought the wrong from right.
By crystilized form, night and day,
Then set aside, and cast away,
But sparkled in the din,
(And led the fools from sin)
Then, ever so silently, slipped away.
But did they learn; did his preaching do?
Was he left behind, or was his mission through —
And may we know—
(Could it show?)
By the present things we do!
And now, like the tornado, twist and turn,
What could cause his spirit to burn?
Only the darkest hour, and blackest night,
When touched by blind foes, in their flight,..

JOE HURKA

I cannot say and I will not say
That he is dead. He is just away
With a cheery smile, and wave of the hand
He has wandered into an unkown land,
And left us dreaming how very fair
It needs must be, since he lingers there.
And you—oh, you, who the wildest yearn
For an old time shet and the glad return,
Think of him faring on, as dear
In the love of There as the love of Here.
Think of him still as the same.
I say, he is not dead—he is just away.
—James Whitcomb Riley

"Don't be so defensive," you said. And I learned to accept criticism.

"Write naturally and honestly," you said. And I learned to impress people with myself, not with what I try to be.

"Thank you for being" you said. And now I say to you—Thank you for being!

My love eternally,
Patti Guarino

"Don't try to be perfect if you can't accept failure."—Martin Rabin

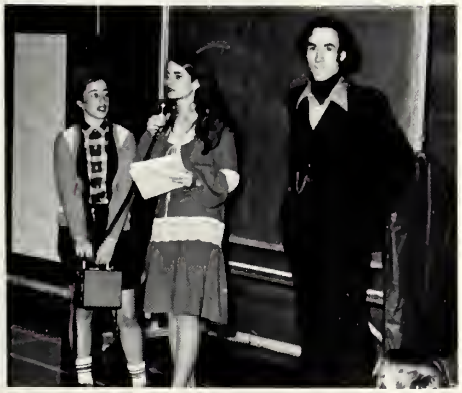
Stolen Moments

Date: December 9 and 10 Time: 8:00 - 11:00 Place: Henry F. Long Auditorium



The Class of 1978's never-ending search to find themselves was interrupted to find something else — Masconomet, stolen on December 9 and 10, 1977. Detective Henry F. Long Auditorium (Leith Borden) and two bewildered students (Laura Bond and Turner Kruysman) spent about three hours each evening sifting through clues that included a Shaun Cassidy concert, a discussion with Anita Bryant, eight ?buxom? Harvard cheerleaders, an evil Darth Dussault in "Cafeteria Wars," and a mysterious washerwoman. The girls chorus line number "And All That Jazz," and the boys' rendition of "Splish, splash, I Was Takin' a Bath" proved to be false leads, but immense crowd pleasers. One interesting note — there were thirty-eight deaths in Senior Frolics, but everyone was resurrected in time to witness the discovery of the school, and to realize that "Tomorrow . . . you're only a day away."

Stolen Moments was co-directed by David ("If you don't come to rehearsals, you will die.") Fain, and Melanie ("Sing! SMILE!!") May. The entire production was generally, specifically, and capably managed by Marie Giordano. Laura Ammann, Bit Dustin, and Joanne Marland directed the girls' chorus line, while Bob Tragert, Bennett Thompson, and Kenny Peterson handled the boys' (figuratively). The pit orchestra was conducted by patient Scott Porter, who also arranged all the music. Under the leadership of David Dewberry and Donna Oliver, the stage crew found time to execute an almost technically perfect show (in between frequent trips to Supino's), and the auditorium was given a "whodunit" mood by artist Debbie Chandler. Ranee Duncan oversaw every aspect of the business end of Frolics. Lynne Jacobs, Linda Kleinfelter, Kathy McMahon, and Pam Savery took on the monumental task of making up the entire cast.

The cast party at Jeff Cusack's house was the culmination, and where many discovered that Frolics brings the class together in some unexpected ways.

FOOTBALL

Disappointment and frustration best describe the Chieftain's 1977 0-10 football season. After a good pre-season and an impressive performance against Newburyport, Coach Carletti predicted that Masco would win its share of games. This, however, was not the case. The team was continually plagued with injuries and just plain hard luck. Masco starters, sidelined with injuries, became known as the "Red Cross Squad." Inexperienced underclassmen were left to fill the voids for much of the season. Late in the season, the Chieftians played well against Hamilton-Wenham losing a heartbreaker in the final seconds. The North Andover game found Masco leading for three quarters, only to be denied victory by a strong North Andover team at the end of the fourth quarter. The Chieftians were forced to chalk up another loss.

The future looks brighter with thirteen returning lettermen and a new head coach. — Don Davis.

BOYS SOCCER

As usual, the Masco soccer team lead by coach Lenny Emmons, had yet another successful season with a record of 14-2-0. Several of our top competitors included Lynnfield, N. Reading and Ipswich. They were a constant threat, but failed to suppress Masco. The reason we won over our competitors was because we played as a team, rather than as a group of individuals. The most individualistic players were the goalies who throughout the season acquired nagging injuries, and still managed to play well.

Not only were the players pleased with the team this year, but Coach Emmons told us, it was one of his most enjoyable seasons. Thanks to his fine coaching we made it to the second round of the states, but had a disappointing defeat. The best of luck next year . . .

GIRLS SOCCER

The 1977 fall sports season marked the advent of Masco's first girls soccer team. A team of 25 girls suffered none from lack of experience, finishing the season with a 4-5 record and the Cape Ann League title. Captained by Bit Dustin and Trice Burke, the infant team surprised everybody including coach Nancy Hennigar. Said Hennigar, "I expected to build a team — not come out on top."

Senior Players leaving this year are: Linda Merman, Anna Viggh, Bit Dustin, Peg Spring, and Molly Murphy. Next year, the team hopes to once again recapture the Cape Ann League title with returning starters: high-scoring Kim "Austin" Healy, Vicky Fay, Robin Scannell, Alyson Bolen, and goalies Trice Burke and Louise Vogel; flanked by other talented players.

—Bit Dustin

Some girls on the team expressed their feelings this way . . . "Girls soccer was great, but I hope we get more balls next year!"

—Heidi and Vicky '79

"It's a great sport; more girls should get involved in it!"— Anna Viggh '78

The girls varsity field hockey team had a successful season this year. Their over-all record of 10-5-0 reflects the team's efforts. The squad's spirit was fantastic, (they even had their own team cheers during half time). They also were very competitive with many outstanding players.

"We had a great deal of hassles, but we also had an excellent time. The experience was well worth all the time we put into it," says Heidi Walsh. The team looks forward to next season with the return of many experienced players.

— Sharon Shepard

remembering the season . . .

"The highlight of the season was throwing Miss Finnegan in the shower." — Co-Capt. Mary Wadlinger

"We worked very hard and should have been number one, but we weren't. We never would have made it as far as we did without the coaching of Miss Finnegan." — Heidi Walsh '78

BOYS CROSS COUNTRY

Beyond the cross country team's respectable 9-4 record, there developed a proud group of young men dedicated to personal achievement as well as team unity. Fierce determination propelled the runners to performances seemingly beyond their capabilities. Al Dexter finished first in the league championship for the second straight year. "Iron Man" Curt Zingg was the most consistent runner, while Frank Alteri, Dave Ryan, and Alex Giger took up the slack left by injured Doug Hall. Coach Gregorchik, through careful training peaked his fifth place team physically and mentally to an upset victory over first place Triton.
— Al Dexter

Overall the runners were pleased with the season . . .
"Winning is NOT everything: we proved it." — Tom Nentwig '78

"You don't worry about coming in last because there is always someone worse than you." — Curt Zingg '78

GIRLS CROSS COUNTRY

The Masco girls cross country team, led by the ding-a-ling sisters Maureen and Monica, came within eight points of winning the Cape Ann League title. Not bad for a team that's been around for only three years. 1978 will be the year with the only team member loss being senior Lori Hart. Valery Fischer, Dale McGillivray, and Jenny Haseltine combined with the running ability of last year's manager will follow the Springs closely. Under the superb coaching of Coach Joe Casey, there is no way his "bunnies" can place anything but first next year.
Good luck next year!!

VOLLEYBALL

The girl's volleyball team had a very successful season under the direction of coach Sally Driscoll.

The team, co-captained by Suzanne O'Brien and Cathy Carr, had a 9-3 record, playing such teams as Arlington, Hamilton Wenham, Lawrence, Lynnfield, and North Reading.

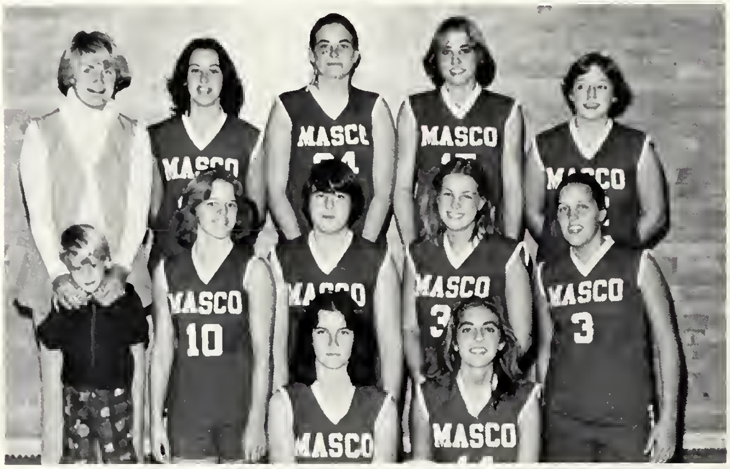
This enabled the team to go to states. Winning one game there was the biggest thrill of the season (After not winning a game last season).

"I was impressed with the improvement in the team over last year," stated co-captain Suzanne O'Brien. "Our team-was very successful this year and I wish them the best of luck next year".

Sally Harvey summed up the season this way, "Attitudes hurt our team this year, but we learned a lot from it, and from a great coach. We're looking forward to an undefeated season next year. We're going to make a name for ourselves in states."

— Sandi Robertson

"Even though I didn't play a lot, I had fun! Volleyball's an excellent sport and we all had a lot of fun during the season." — Sue Glatz '78



VARSITY: ROW 1: S. O'Brien, C. Carr (Co-Capts.); ROW 2: K. Eddy, K. Deans, S. Glatz, S. Harvey; ROW 3: Mrs. Driscoll, J. Marland, C. Wyner, S. Robertson, A. Rotzco.

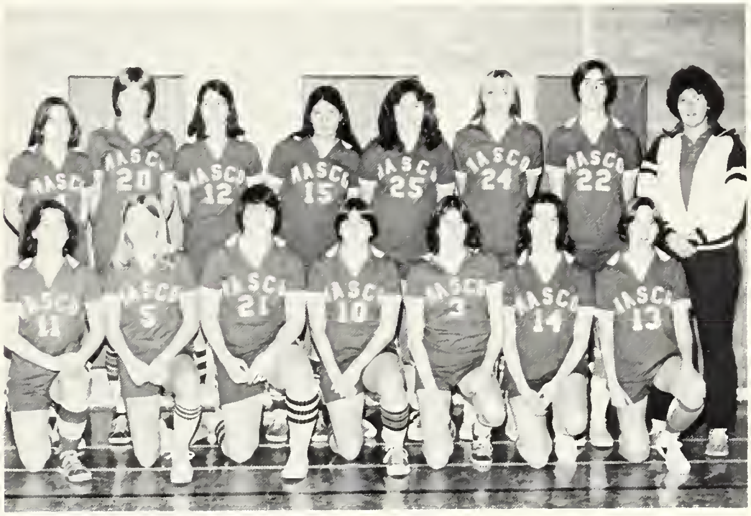
GIRLS BASKETBALL

Although the girls basketball team didn't have a very successful season, they were a very hard working team. The team was led by Connie Wilson, the leading scorer and member of the All-Star team, and by Captains Marlene Joyce and Suzanne O'Brien. —Suzanne O'Brien

"Injuries hampered the play of many team members. Because of this, our record was poor, but we'll get'em next year!" —Kris Peachey and Cathy Deans '79



VARSITY: ROW 1: H. Walsh, S. Leighton, C. Deans, K. Peachy, C. Wilson, S. O'Brien, M. Burke; ROW 2: E. Sheehan, K. Meyers, L. Cushman, W. Harrington, R. Spiro, L. Child, M. Joyce, Coach Tracey Mousseau

BOYS BASKETBALL

The super basketball season of 1978 earned Masconomet the C.A.L. Championship (only the second time in Masco's history); coupled with nineteen big victories. Sam Townes and Don Russell were statistical leaders but their contributions were only minor compared to the defense and passing of Kevin Killilea and the all-around hustle of Joe Vogt and Ben Thompson. Reserves, such as Phil Ferrari and Chris Singleton, also played major roles. The "Junior Crew" showed play and attitude which will certainly lead them to a repeat of the title next year.

The biggest plus on our side was the superior guidance of Coach Joe Casey. Those effervescent cheers from parents and student body alike were greatly appreciated. —Co-Captain Don Russell

The ski team had another winning season this year, posting a 7-1 record. In the state championships Masonomet placed fourth in a field of twenty-one teams, with both girls and boys placing high in the slolom event.

Great improvement prevailed in the technical skiing ability of all members of the team. With the new coaching addition, Bill Peterson, a world professional racer, new life and perspective was given to the word "skiing."

Between the combination of Peterson and Coach Hurka, Masconomet was able not only to finish second in the M.V.S.L., but also generate a new dimension to the lives of ski team members. As one member put it "Overall, we had a pretty good year. With Hurka and Peterson for coaches, who could go wrong!" — Chad Goodhue '78. They found that there is more to racing than politics: and that fun is the main idea.—Joe Hurka

INDOOR TRACK

A 3-4-1 record could not come as a surprise if you consider what was working against the Indoor Track Team. Postponed meets, and lack of senior talent, and training facilities, are seldom the ingredients for a good season.

Despite the record, there were some outstanding individual achievements. Dave Lynch set new school records in the high jump and high hurdles. Scott Kamieneski, Steve MacKay and Peter Diamond developed into three fine shot putters. Captain Curt Zingg was very consistent in the two mile. Several members were selected to compete in the league All Star Meet.

Next years prospects are even better. The team will lose only a few seniors through graduation. Returning lettermen include sprinters Dean McDonough and Mark Porrier; distance runner Chris Bergsten and Jeff Kenyon; and Stu Robertson the high jump; as well as the shotputters.

"Everyone has a good time in track. If I couldn't have fun winning, then I'd have fun losing!"—Jeff Bugbee

WRESTLING

"Wrestling takes a lot of hard work and dedication, but winning makes it all worthwhile."—Co-Captain Mike Bertolone

The varsity wrestling team ended their season with a 5-12 record. Although the record is not outstanding, the team did well with young and inexperienced members. There were several place finishers in the Division Two Sectionals. The results are as follows: Frank Allen, second place; Jim Hogan and Mike Betolone, fourth place; Dale Johnson and Mark Boyle, fifth place. Mike Bertolone also placed fourth in the Division Two State Championships and Jim Hogan qualified for the Cape Ann League All-Star meet.—Paul Bourque

The boys gymnastics team completed their season with an 0-5 record. Because their schedule was cut in half due to league and division decisions the number of scheduled meets were at a premium. Stand-outs for this year were Captain Chris Dickson on rings, side horse and paralled bars; Bob Bogart, Tom Gaglione, Bob Tragert and Bud Leary also showed poise and determination through out the season.—Coach O'Bara

"One of the reasons I went out for boys gymnastics is girls gynmastics!"—Bob Tragert '78

Under the careful coaching of Carol Symmes and Assistant Coach Nancy Hennigar, the Masco gymnasts flipped through their season, ending with a 2-4 league record and 3-9 overall.

With just four experienced seniors, the team was comprised mainly of freshmen, who were enthusiastic, talented, and able to add necessary points to the team score.

The all-round competitor, senior Co.-Capt, Donna Regii, led the team with 289.90 points, followed by freshmen Verna Pageau (105.55 points), and Heidi Brown (84.10 points), sophomore Rhonda Mann (61.40 points), and senior Co-Capt. Julie Sawyer (59.80 points). Other top performers were freshman Stephanie Smith with 46.35 points and sophomore Liz Jarmin with 39.30 points.

The girls met tough competition and lost several meets by just a few points. Despite the disappointing record, however, the season was a valuable one. Individual gymnasts set personal goals and successfully achieved them.

This year's budget cut forced the hockey team to practice at 6:00 in the morning. Even with this large setback, the Chieftains finished with a fairly good season.

Despite being a team of "Pencil-Necks" and "Spaghetti Arms" (Average weight of 143), the team finished with a record of 7-6-5. This record put them right in the middle of a very close league.

Senior Ken Belisle said, "The league was so close this year that every game changed the standings." —Dave Behrens

I sit beside the fire and think
Of all that I have seen,
Of meadow-flowers and butterflies
In summers that have been;
Of yellow leaves and gossamer
In autumns that there were,
With morning mist and silver sun
And wind upon my hair.

TRI-TOWN COUNCIL

TriTown
COUNCIL on youth and family services, inc.

The Tri-Town Council is a private, non-profit, social service agency. The primary emphasis is and has always been youth-oriented providing comprehensive services and programs to the communities, Boxford, Topsfield and Middleton.

The council, which was reorganized in late 1974, offers a full range of programs for all students, within a "self-help," supportive atmosphere. The purpose of the Council is to assist youths in finding constructive solutions to adolescent adjustment problems. Or simply stated, helping young people help themselves in their transistion to adulthood.

The Council offers programs in four main areas;

GROWTH AND LEARNING PROGRAMS: Arts and Crafts Courses (i.e. silversmithing, pottery, photo etc.), Camping Expeditions, Ski Trips and other goal-directed activities (i.e. unstructured, non-competitive sports).

JOB BANK: Vocational Counseling, Job Placement, Special Youth-Work Projects (i.e. Community Garden Project etc.), Resume Writing Workshops and a Rent-a-Kid Service.

TREATMENT AND REHABILITATION: Individual, group and family counseling; Crisis intervention; and Outreach.

COMMUNITY EDUCATION AND REFERRAL: Drug and Alcohol Education Workshops, Referral Network and Community Involvement. — Kevin W. Lawless

DONE TO DEATH

November 4th and 5th Masconomet presented Done To Death, a mystery-comedy by Fred Carmichael. The plot revolved around five mystery writers who were invited to a Carribean island to create the greatest mystery series of all time. The authors, Jessica and Whitney Olive, were played by Maura Gaudet and Kevin Murphy. Other actors and actresses were Patty Hart as Hearty Mildred Maxwell, Frank Gayton as Rodney Duchton, and Matt Tragert as the lady's man, Brad Benedict. The suspicious servants were played by Carol Kelly and Glen Gayton. John Thompson's role was that of the producer.

Done To Death was a comedy that will long be remembered as an enjoyable production.
—Kevin Murphy

HIGH BUTTON SHOES

On March 11 and 12, Masconomet presented its annual spring musical production. This year, the days of moustache wax and the Model T returned with High Button Shoes.

Set in 1913, the story tells of con-man Harrison Floy (David Fain) and Mr. Pontdue (Miguel Garrido), his wise-cracking side kick.

After a bout with the law, the two return to their home town where they get involved with Mama and Papa (Mel May and Frank Gayton) Longstreet, Young Fran (Kathy Stewart) and big man on campus, Hubert Ogglethorpe (Bruce Bears).

Secondary parts were filled by Sharon Shepard, Chris Bassett, Andy Estes, John McMahon, David Jacopilly, and Kathy McMahon as Nancy, the family maid.

Miss Jean Jarvie directed the light-hearted production which was S.R.O. at both performances.

"Despite our problems cancelling rehearsals," said Miss Jarvie, "the cast and crew did a fine job."

Anybody who saw the production would certainly agree.

GERMAN EXCHANGE SAARBRUCKEN, GERMANY

On September 9, 1976 the German Exchange students began a one month visit to Saarbrucken, West Germany. While in Saarbrucken, students were involved in many memorable and exciting activities including a two day trip to the Rhein River, and tour of a porcelain factory and a brewery, and a journey to the Deutsch-Fransososche Gardens. Of course, they also spent time at the local school with teachers William Spencer and Herr Bleymehl. The general comment from those who had participated in the program was, "I can't wait to go back to Germany!" German students visited Masconomet earlier in the Spring touring Boston's historical sights as well as their favorite view — the seashore. Everyone involved learned a great deal during this truly unforgettable experience.
— Sue Glatz

FRENCH EXCHANGE CHAMPIGNY SUR MARNE

Last spring, a group of Masconomet Juniors embarked on a trans-atlantic voyage — their destination: Champigny sur Marne, a suburb of Paris, France. For most, this was the biggest and most memorable event of their lives. April fourteenth through twenty-ninth will always be remembered by each of us.

The exchange group visited the usual tourist musts: Le Tour Eiffel, Le Louvre, Versailles, Fontainebleau; but during that short two week stay, last year's exchange group made new and permanent relationships with their French hosts and got a feeling of the real French life. This was a feeling that could never have been experienced while staying at a hotel.

Mr. Gregorchik, (Larry G. to us), was our teacher, chaperone and friend during the trip. He and Mlle. Chevallier, the woman "in charge of everything" in Champigny, did their best to show us as much of France as possible in fourteen days. Our stay in the little sea coast village of Concarle, Bretagne was a very special part of our trip. French and Americans alike participated in this unique and memorable experience.

A trip to Europe is something to be treasured. The thirty-one students who were lucky enough to participated in the 1977 French exchange will surely treasure their memories of the funny, interesting and sad experiences that we all shared; sad only on our last day when the dream ended and the 747 took off — destination: Montreal — New York — Boston. — Julie D'Amario

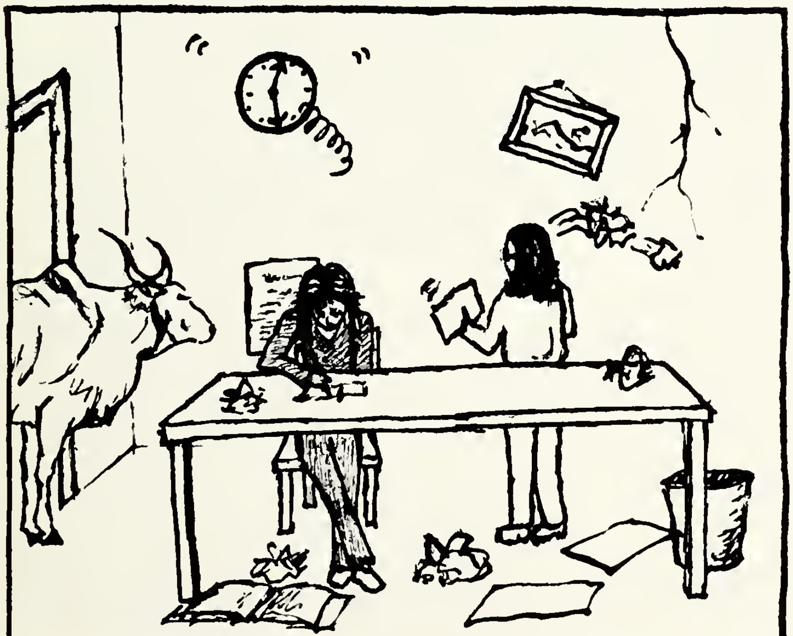
THE BUCK STOPS HERE



With weary hands and exhausted minds, we give you the final product of months of work. One hundred and seventy six pages of Masconomet's 1978 history lie between the gold covers. All the happy moments from class banquets to senior frolics; the sad times, as in the loss of a beloved teacher; and the prom, and especially memorable occasion, come "a-live" with vivid photographs to forever remind us of our high school years.

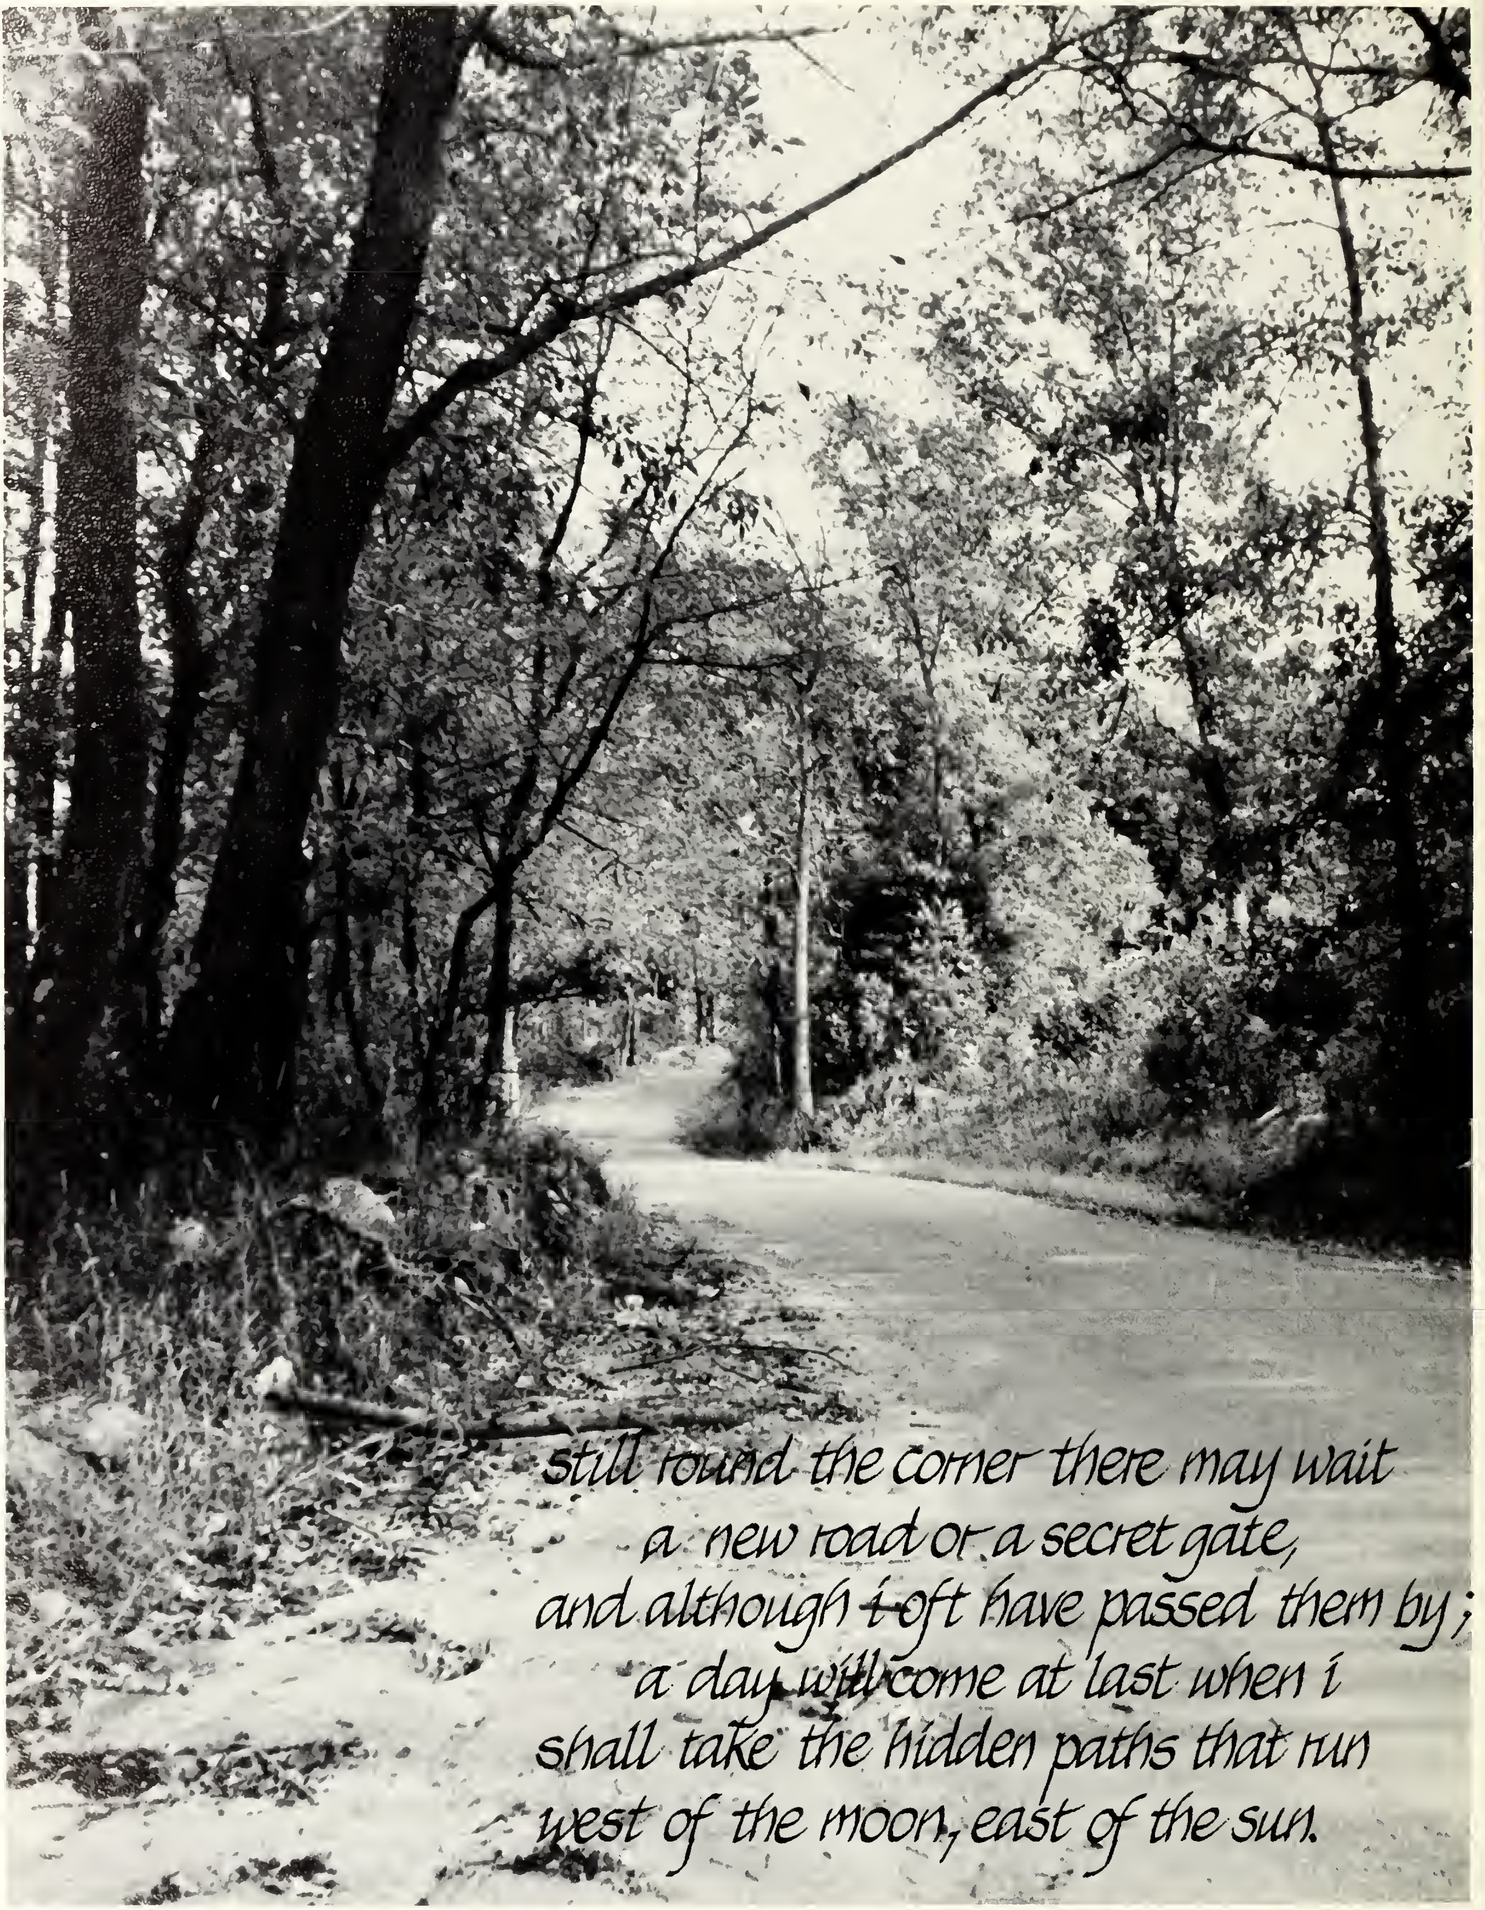
Yes, we have travelled a long and winding road, stumbling over the many stones and branches along the way. But somehow, we have overcome those frustrating obstacles, in an effort to find ourselves and our future.

The road to success is a long one, but with the realization of our mistakes, our solid friendships and our education at Masconomet, (both socially and academically), we will search for, and finally reach our goal.

And now, we graduate from Masconomet to follow that frightening path to adulthood. This book remains. You "hold" the class of 1978 in your hands. Please enjoy our memories with your parents, friends and relatives.

Much luck, love and happiness always.—Patti

FINAL DEADLINE!



still round the corner there may wait
a new road or a secret gate,
and although i oft have passed them by;
a day will come at last when i
shall take the hidden paths that run
west of the moon, east of the sun.
